

Industrial
MULTI-TEMP EP 2

Lubricating grease composed of highly refined mineral oils thickened with a lithium soap.

Designed for use in many applications including agricultural, automotive, construction, forestry....

Performance

- NLGI 2
- DIN 51825: KP2 P-30

Applications

Outstanding 'Extreme Pressure' properties
Excellent anti-wear and anti-oxidation properties
Outstanding rust and corrosion protection

Characteristics	Unit	Average
Density at 15 °C	kg/l	
Viscosity -20 °C	mPas	
Viscosity 40 °C	mm ₂ /s	
Viscosity 100 °C	mm ₂ /s	
Viscosity index		
Flash point COC	°C	
Pour point	°C	
Total Base Number	mgKOH/g	
Sulphated Ash	%
